Highly recommended. I purchased both of these books.

- *Practical Crime Scene Processing and Investigation* - Ross Gardner
- *Advanced Crime Scene Photography 2nd Edition* - Christopher Duncan

Recommended. See if your local library can find you a copy.

- *Crime Scene Photography 2nd Edition* - Edward Robinson
- *An Introduction to Crime Scene Investigation* - Aric Dutelle
- *Criminalistics: An Introduction To Forensic Science* - Richard Saferstein
- *Practical Shooting Scene Investigation* - Dean H. Garrison
- *Crime Scene Investigation 3rd Edition* - Fish, Miller and Braswell
- *Crime Scene and Evidence Photography 2nd Edition* - Steven Staggs

Also of interest.

- *Photography 12th Edition* - London, Stone and Upton
- *Police Photography 6th Edition* - Larry Miller
- *Henry Lee's Crime Scene Handbook* - Dr. Henry Lee
- *O'Hara's Fundamentals of Criminal Investigation 8th Ed.* - D. Woods
- *Kirk's Fire Investigations 7th Edition* - Dr. John DeHaan
- *NFPA 921, Guide for Fire and Explosion Investigations* - NFPA
- *Traffic Accident Reconstruction* - Lynn Fricke
- *Vehicular Accident Investigation and Reconstruction* - Donald Van Kirk
